To The Honorable James R. Thompson, Governor and
The Honorable Members of the Illinois General Assembly

I am pleased to present the 1981 Annual Report of the Commissioner of Banks and Trust Companies. Individual and aggregate data for the state-chartered banks and trust companies of Illinois reflect their continuing strong and sound financial condition during a period of economic challenge.

Bank asset growth and expanding supervisory responsibility was experienced during 1981. Two especially important decisions are worthy of mention concerning the on-going discharge of regulatory performance. Agency personnel reinstituted thorough full-scope examinations of state-chartered banks and trust companies. In time, all state banks will be examined full-scope each calendar year. Meanwhile, the divided exam program with the Federal Deposit Insurance Corporation will continue.

The other significant decision involved the organization of the Agency on September 1, 1981 into ten domestic commercial bank supervision districts. These are detailed on page 75 of this report. Resulting efficiencies in personnel utilization and travel reduction will permit attainment of the annual examination rate for banks supervised by the Springfield office in 1982 and for the Chicago office in late 1983.

Today's changing economic environment, involving growth of electronic banking, volatile interest rates, competition from non-depository entities and new statutory enactments places an exciting and challenging responsibility on the Agency. To maintain a safe and sound commercial banking system for Illinois, continued support from your Administration and from the Illinois General Assembly are essential. This agency is committed to doing its part to assure that State supervised banking is among the best in the country.

Thank you.

Respectfully,

William C. Harris
Commissioner
